## CAMP PROGRAMS

### ELITE HIGH SCHOOL BOYS FIELD PLAYERS

The Future250 Elite High School 4-Day Camp is designed for boys ages 14-18 (Grades 9 - 12) who aspire to be seen by college coaches, and trained by and with the best coaches in country and improve their individual and team soccer skill sets. The camp is a challenging program with training sessions stressing positional play and advanced team tactics. Daily demonstrations will be led by top college players and coaches. Players will be divided into teams for the week and will compete in our own version of the European Championships. Players who perform well during the week will be given the opportunity to play in our own version of the MLS All-Star games. In the past, the camp has offered players an excellent opportunity to be coached by UCSB and other top college coaches throughout the country.

### THE GOALKEEPER CAMP

The Future250 Goalkeeper Camp is held in conjunction with the Field Player Camp at the Church Farm School. The Camp is designed for goalkeepers who aspire to play at their highest potential collegiate level. The camp is a highly competitive environment with training sessions stressing positional play, advanced goalkeeping team tactics as well as technical and functional training in goal. Classroom sessions will focus on the psychology of goalkeeping, tactical understanding of positional play and the art of organizing your back line. Daily demonstrations will be performed by top college players and coaches.
